

# Buy Hair at Auction?

At any rate, you seem to be getting rid of it on auction-sale principles: "going, going, gone!" Stop the auction with Ayer's Hair Vigor. It checks falling hair, and always restores color to gray hair. A splendid dressing also. Sold for over sixty years.

My hair came out so badly I nearly lost it all. I had heard so much about Ayer's Hair Vigor I thought I would give it a trial. I did so and it completely stopped the falling, and made my hair grow very rapidly. —MRS. H. FIELD, Northfield, Mass.

### THE BEST DOCTOR.

Rev. B. C. Horton, Sulphur Springs, Tex., writes, July 19th, 1902: "I have used in my family Ballard's Snow Liniment and Horsebalm Syrup, and they have proved certainly satisfactory. The liniment is the best we have ever used for headache and pains. The cough syrup has been our doctor for the last eight years." Sold by Crenshaw & Young. 10-7ml

What a wonderful change could be made in the appearance of this country if every farmer kept his farm in the condition the best ones do. If the farms were so small that every available foot of space would be made to produce its best products, and no part, not even along the fences, was allowed to grow up in weed or unprofitable grasses, what a change there would be. There is enough goes to waste each year on half the farms of this country to keep an economical family. No country can be made fairer than this when proper culture is applied. —Odesa Democrat.

The Commoner: "All industries have been protected except the ship owner," declared Senator Lodge recently. This will be interesting information to the farmers who are asked to believe that a tariff on wheat makes it yield a better price while the tariff on woolen goods decreases the price.

Ira Sheets will start to New York next Monday where he goes to study art drawing. He expects to work half of each day and study in the afternoons and evenings. Ira is to be commended for his energy to make an artist of himself. —The Higginsville Jeffersonian.

### Asphalt and Brick.

Jackson County Examiner:

Contractor, J. E. Lewis is putting down a brick pavement on East Pacific street from Main street to the cemetery corner. Nearly all the brick, Pittsburg virified, has been laid and part of the pavement has been completed. Instead of washing the brick with mild cement the contractor is pouring melted asphalt between the rows of bricks. The asphalt is placed in a tin cornucopia with a small hole in the little end from which the asphalt is poured into the cracks left when the bricks were loosely laid. Every row of bricks is treated this way.

The asphalt used on Pacific street comes in barrels and is black as tar and of the consistency of rubber. It is melted in a big furnace for use. It is called rock asphalt. Contractor Lewis says the process of paving is tedious but that it makes the best pavement possible. The pavement is noiseless and clean like asphalt and practically indestructible.

Property owners on other streets are watching the work on East Pacific and when it is finished if it is satisfactory other streets will probably adopt the same paving. The contract is \$1.81 8/10 a yard. The brick are laid on a heavy cement base before the asphalt is applied.

### SAVED HIS LIFE.

J. W. Davenport, Wingo, Ky., writes, June 14, 1902: "I want to tell you I believe Ballard's Snow Liniment saved my life. I was under the treatment of two doctors, and they told me one of my lungs was entirely gone, and the other badly affected. I also had a lump on my side. I don't think that I could have lived over two months longer. I was induced by a friend to try Ballard's Snow Liniment. The first application gave me great relief, two fifty cent bottles cured me sound and well. It is a wonderful medicine and I recommend it to suffering humanity. Sold by Crenshaw & Young. 10-7ml

### Discontinued Publication.

The publication of the Corder Press has been discontinued and arrangements have been made to fill out unexpired subscriptions with copies of the Higginsville Leader. Miss Maud Harwood, the editor of the Press, was an indefatigable news-gatherer and gave the good people of Corder a newsworthy weekly, but she found that the advertising patronage of the place was not sufficient to justify the continuance of the publication.

The Only Guaranteed Kidney Cure is Smith's Sure Kidney Cure. Your druggist will refund your money if after taking one bottle you are not satisfied with results. 50 cents by Crenshaw & Young. 10-7ml

Higginsville Leader: B. M. Lewis was so unfortunate Monday morning as to fall from the top to the bottom of the cellar stairs at the home of his son, R. L. Lewis north of Corder and sustained injuries that confined him to his bed for several days and from which he has not yet recovered. Mr. Lewis arose about four o'clock a. m., and intended to go to the kitchen to get a match to light the stove. Instead of going to the door to the kitchen he stepped on the edge of the cellar stairs with the above result.

### TIRED OUT.

There's many a wife sits in the growing shadows of an evening, knowing what it is to feel tired out; as if there was not another ounce of effort left in her. But if healthy she knows how sound her slumber will be and how refreshed the morning will find her. But it's another thing for the sick woman to feel tired out. Rest only seems to increase her suffering. She feels acutely the aching back and throbbing nerves.

Sick women, hundreds of thousands of them, have been made well by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness.

"I am pleased to inform you of the benefit I received from using Dr. Pierce's Favorite Prescription and Golden Medical Discovery," writes Mrs. Elizabeth A. Galloway, of 8 Brant Street, Windsor, Essex Co., Ontario, Canada. "I was quite discouraged when I wrote asking your advice, as the physicians here told me I could get no relief except by an operation. Suffered for four years from irregular and profuse menstruation, had sick and nervous headaches most of the time, and at times could hardly walk across the floor from weakness. I thank God there is such a remedy as Dr. Pierce's Favorite Prescription for suffering women. Before I had taken the first bottle the headaches had left me and it was not long before regularity was established and still continues so. Have just finished house-cleaning which I never expected to be able to do again, and can truly say I never felt better than at present. I gladly recommend 'Favorite Prescription' to all who suffer from female weakness. It has cured me and made me stronger in every way." Neither my husband nor myself can say enough in its praise.

The self-seller who urges some substitute is thinking of the larger profit he'll make and not of your best good.
